located on Apollensberg (N 52/E 37). The wooden frame previously seen on the triangulation point was removed. The site where the sets were previously located, 0.75 km east of Apollensberg, was vacant and the telephone line to house No 6 on Alte Dorfstrasse road was dismantled. Two two-wire lines and the telephone lines running along the road continued underground from a mast 0.5 km east of Apollensdorf. *
